

PRESS RELEASE

FOR IMMEDIATE RELEASE: Wednesday, July 6, 2016, 12:30 PM (PST)

AEM Announces New Sales Manager

Avionics Company **Anodyne Electronics Manufacturing Corp** (AEM) has announced the appointment of **Tony Weller** as their new Sales Manager.

Weller, who started with AEM in April, has been working closely with Ray Lewis (VP), Luc Schingh, Steve Broderick and the world-class sales support team on strategy and continued excellence in customer service. Tony is now overseeing the sales team and guiding them to share their expertise by supporting AEM customers with their knowledge and vast industry experience.

Company President Dave Veitch commented, *“Tony brings with him a significant background in team building, coaching and sales leadership and we welcome his fresh outlook to our comprehensive team of avionics professionals.”*

AEM will be displaying their latest line of **Master Caution Panel** products as well as their new line of **DO-160G Qualified Loudspeaker/Loudhailer Systems** at the AEA EXPO in Savannah, Georgia July 18-23.

AEM invites all attendees to visit Tony and the AEM team at Booth #513.

***About AEM Corp:** Anodyne Electronics Manufacturing Corp (AEM) is a leader in the design, development and manufacture of aircraft communication systems and illuminated panel products. AEM’s growing line of products include external loudspeaker/loudhailer systems, next generation Master Caution Panels and communication adapters and accessories. Complementing AEM’s product lines is their Illuminated panel manufacturing, refurbishing and repairing services, including NVIS capabilities. AEM also offers design and manufacturing services to other companies, providing solutions for reduced operational costs and giving those companies the ability to focus on their core businesses. AEM is a Transport Canada approved manufacturer and maintenance organization, holds EASA Part 145 Maintenance approval, and are ISO9001/AS9100C registered.*
